Wildfire Danger!

With the relatively dry conditions and high winds, there is significant risk of fire. Please watch smoking areas on campus carefully!

Remember the 360!

Do the 360 Walk-A-Round at your vehicle
each and **every** time you get
ready to go somewhere.
This helps keep everyone safe!

Shout Outs!

Shout Out to **Maria** the housekeeper at 6380 7th Street. She has been on the home for a short time and is doing a great job especially at keeping the home smelling nice.

Shout Out to **Thomas Deluna, Joe Guajardo, and Buddy Lindsey** for their work in building handrails at the Infirmary! They will be a huge help.

Shout out to **Camille Anderson** and **Chris Martinez** for assisting with 6521 Peach home supervisor coverage for meetings and home tasks after the untimely death of Bobby Early. We will miss him. All of us involved; home staff, IDT members, and other staff who probably needed you to do things as well to keep us up and running- REALLY APPRECIATE YOU stepping up despite the fact you have full-time work to do at your regular job. Same goes the other staff who stepped in to help that I am not aware of. There are not enough words to say to show our appreciation. THANK YOU SO MUCH! And a BIG THANK YOU to those responsible for doing the chair memorial in the Infirmary Conference Room. It was awesome!

Shout Out to **Alex** (Housekeeping). He has made sure all restrooms are clean, all the trash is emptied, the floors are mopped, carpets are vacuumed, and he even takes time to complete any other duties that are requested. The FCT/D building looks fantastic and I wanted to share that with everyone. We greatly appreciate Alex and all that he does for the facility.
